About us

Company Profile

DRAGON GUARD, the largest retail security solutions supplier in Huaihai Economic Zone, is a high-tech enterprise collecting research, development and sales.

We have independent R&D department and own a variety of independent intellectual property products. Owning accessories production subsidiary and offices in many cities, as well as sales agents, the products are sold all around the world.

Development Process

DRAGON GUARD was established in Shanghai, 2006

The factory moved from Shanghai to Xuzhou, 2011

The new factory was successfully completed, 2017

2019, New beginning

Our Advantage

More Than 12 Years Experience

XUZHOU DRAGON GUARD INDUSTRIAL CO.,LTD is a manufacturer specialized in electronic article surveillance(EAS) equipment for more than 12 years.

International Standard Factory

With own factory, which is approx 10,000 square meters, that meet ISO9001 demands. In addition, the factory pass the inspection of many big companies such as Auchan, Home Depot etc.

At Dragon Guard, commitment to quality is one of our core values. Every employee is responsible for maintaining a high level of quality in everything we do. In order to guarantee that we established a strict QC team to make full inspection before delivery.

Company Certificate

ISO9001, CE, ROHS, SGS, MSDS, and other certifications are achieved.

Our Team

Everyone in DRAGON GUARD are always following the company spirit of quality first and keeping innovation. We produce reliable products and provide the best service, increasing competitiveness in our clients market.
